Re: HPV Challenge Program (AR-201) – Final Submission for Isocyanic acid, m-phenylenediisopropylidene (CAS 2778-42-9); Reference Number of Original Submission: AR201-13996A

Dear Administrator:

On behalf of Cytec Industries Inc. I am pleased to make this Final Submission for Isocyanic acid, m-phenylenediisopropylidene (CAS 2778-42-9). We are attaching two documents in .PDF format, which comprise the entirety of this final submission. One document contains the narrative summary (test plan) of the testing program. The other document contains the robust summaries of all of the Screening Information Dataset Endpoints (SIDS). A hard copy is being sent under separate cover.

We request that EPA post these materials on its HPV test plan website, denoting them specifically as Isocyanic acid, m-phenylenediisopropylidene (CAS 2778-42-9) Final Submission.

Please contact me with any questions you may have regarding this submission.

Regards,

Randy Deskin, Ph.D., DABT
Director, Toxicology & Product Regulatory Compliance
